# Mount Si's GOOD NEWSletter

## May 2016

### New Beginnings....

Spring is in the air and change is all around us, including at Mt Si Lutheran Church. On April 24<sup>th</sup> a farewell service and potluck was held for Pr. Mark and his family. We are grateful for his service and for his gifts he shared with our church and bless him and his family wherever their journey takes them. (see photos, pgs. 7-10)

Our entire congregation is faced with an opportunity. This is a time to ask questions, share and listen to opinions and to pray about what is next for our church. Fortunately, we do not take this journey alone. We have each other, an interim pastor and the guidance of the synod office.

This transition is a process that involves steps. The first step is bringing in an interim pastor. We are happy to share that The Rev. Larry Thomas will be our interim. Pr. Larry is familiar with our church and will help guide us during this time. Pr. Larry begins May 9, 2016.

The next step is to appoint a Transition Committee. This will be a period of self-study as the team will look at our mission, ministry, heritage, leadership, connections and the future of Mt Si Lutheran Church.

The third step is selecting a Call Committee. This committee will represent the congregation and be responsible for interviewing the pastoral candidates.

This process requires that the entire congregation be engaged. Your prayers, sharing your thoughts and listening to others will help us discern where God is leading us.

The council plans to hold an informational meeting the first week in June and this will be announced at church or you can email me at [hedukich@hotmail.com](mailto:hedukich@hotmail.com). If you are interested in being on the transition or call committee or have questions, please contact me or a council member.

Peace and blessings,  
Heidi Dukich, Council President

~May 1-8, 2016—If you know anyone that is in need of emergency pastoral care, please have them call Sheila Rodriguez (425 888-1322) during office hours or Heidi Dukich (425 785-6789) and Nancy Flanagan (425 888-1311) after office hours.

### Riley Buckmaster's Confirmation April 17, 2016

Confirmation is not just a class that is required for a young person to become a greater member of the church. Confirmation is a way for young people to focus on their faith in a concentrated environment. During confirmation I came to learn that faith is like a tree. And I am rooted in faith. During the course of my life my faith will be tested. The winds of society will try and test my faith. My roots will keep me from feeling shaky but my will roots will keep me grounded from collapsing and I will remain stable. A tree standing by itself will not last for very long on its own. It needs the support of other trees to keep it steady. This is similar to the Community of Faith that I have been presented with. I may

feel shaky in my faith but the community will keep me rooted even when I cannot stand on my own. Their roots will be intertwined with mine and will not let me go. And there may come a day when my tree does fall. I will not be unrooted because even though I have fallen my roots of faith will still be buried deep in the Earth. And one day a new tree to emerge from the earth, a new me will emerge from the dirt. In Genesis chapter 2 verse 9 it says that *“Out of the ground the LORD God caused to grow every tree that is pleasing to the sight and good for food; the tree of life also in the midst of the garden, and the tree of the knowledge of good and evil.”* Similar to trees God made every one of us for a specific reason. Some he brought to bring beauty and light into our garden and others he brought to bear fruit to sustain it. In Psalms 1:3 the verse describes that *“He will be like a tree firmly planted by streams of water, Which yields its fruit in its season And its leaf does not wither; And in whatever he does, he prospers.”* So even when my tree may seem old and withered away in places, the word of God will keep me full and nourished. I will be supported by the tree that never dies. God's tree will keep me from growing old and withering away. And I will know that whatever has happened and whatever is yet to come my faith will continue to grow. Much like a tree. ~Riley Buckmaster

### New Members: Ryan, Melissa & Brett Scott

*Ryan, Melissa, and Brett Scott are excited to be new members of Mt. Si Lutheran! Ryan and Melissa bought a house in Snoqualmie Ridge last June, after living in Kirkland and Bellevue since they were married in 2009. The couple are true Northwesterners (well, except that they don't drink coffee); Ryan graduated from Lake Washington High School, then PLU, and Melissa is an alum of Sammamish High School and Western. Ryan earned his Masters in Theological Studies from Boston University, but Melissa is thankful that he decided to become a teacher instead of a pastor, as the two met teaching together at Wilder Elementary in Lake Washington School District, where they still teach. Currently, a school administrator leadership program at UW keeps Ryan busy, but he loves to golf and play saxophone and guitar when he finds the time. Melissa enjoys spending time cooking, wine tasting, and reading. Brett joined the couple in November of 2013, and if you can wait until he warms up to you, you'll enjoy his keen sense of humor, flair for the dramatic, love of sticks, and learn that he has an impressive sweet tooth.*

## 2016 Synod Assembly

We are happy to have Pr. Larry Thomas and Dan Luke attend the 2016 Synod Assembly at Xfinity Arena Conference Center, Everett on May 20th & 21st

### Our Assembly Theme: Local + Global = GLOCAL: What Is God Up To?

GLOCAL takes the best of what we have learned from our Global Missions ministries and applies those same principles of companionship and accompaniment to our local ministries. Our keynote speaker (and Churchwide Representative) will be **Sunitha Mortha**, Mission Formation Director from the ELCA Global Mission Unit. Through her presentations and a variety of workshops led by members of her GLOCAL Team and local leaders, we will ponder how we engage those around us. The workshops will provide concrete examples of how our congregations can meet our neighbors and join in God’s work already taking place in the neighborhood. We will also tend to the business of the synod: receive reports, elect new synod council members, vote on constitutional changes and proposed resolutions, celebrate ministry anniversaries – and join in vibrant worship together.

**Summer Worship Schedule Begins--  
May 29th, 9:00AM Worship**

On May 29th, we will begin our Summer Worship schedule with one worship service at 9:00a.m. followed by coffee hour/fellowship time. This is an exciting opportunity to have our entire congregation worship together. The change will take place from May 29th through Sept. 11th, so come to church at 9:00a.m. and join us in the fellowship hall afterwards for coffee and fellowship.

**SAVE THE DATE: Aug. 25-28**  
**Family Camping at Salmon la Sac**  
 Campground—sign up sheet available  
 or contact Jane or Ed Benson or John  
 Keiser.

Don't forget, your council members are your elected officials that you have entrusted with the workings of your church. Feel free to contact them to discuss issues that you feel are pertinent to the life of your congregation.

You may contribute to the newsletter by submitting your articles to the church office by email, snail mail, or a simple phone call. The Deadline for submissions is the **THIRD MONDAY** of each month, except when earlier deadlines are required due to holidays, etc.

We want to thank the members of our congregation for all the love and support you have shown our family during Sue's long illness and time in the hospital. We are grateful for the prayers, visits, gifts, meals and loving concern. Special mention goes to the women of the Monday Bible Study and Chronic Conditions Support Groups. We have been so blessed by all of you. Thank you. Love, Betty, Sue & Dale Shardelman

# Farewell to the Griffiths

April 24, 2016

## A Liturgy of Thanksgiving

Pr. Mark Griffith began at Mt. Si Lutheran Church on Sept. 12, 2009 in time to celebrate our 60th Anniversary! On his last Sunday, we held a combined worship that included a 'Liturgy of Thanksgiving' and invited Pr. Mark, Heather, Sadie and Caroline to come forward and join us for a special prayer and blessing from the congregation. Jack Boller, Council Vice President, led the liturgy as we recognized all the important and memorable events Pr. Mark has presided: *at the font, at the table, and at the pulpit*. The music team then invited Pr. Mark to join in on the 'Canticle of the Turning' hymn since that is one of the first hymns Pr. Mark played his mandolin at our church. The service ended with the congregation's 'laying on of hands' for the Griffith family followed by prayer. After the service, we met in the fellowship hall for food, fellowship & farewell. Mt. Si presented the family with a framed picture of the church with the verse from Ps. 121, a scrapbook filled with memories and photos, a keepsake vase with "Cherish your time with friends", and for Sadie and Caroline, we presented a special children's Jesus Story Bible and a bouquet of pink roses for each.

## *The Spirit*

A Publication of the Northwest Washington Synod of the Evangelical Lutheran Church in America

### **Is There Life After Death?**

by the Rev. Kirby Unti, NWWA Bishop

One of the questions that I assume many pastors are asked is, "Do you believe in life after death?" I just recently had this conversation with a woman whose husband, Andy, I buried at age 50.

It has always been important for me as both person and pastor to be honest about what I believe and not to give out "pat" pastoral responses.

The truth is I don't know if there is life after death and I won't know until I die. All I can go on are some clues that I have observed while living on this side of death.

Death has been one of my greatest teachers, as I have been privileged to be with many people as they are dying and breathing their last breath. It has often amazed me how many people go through a stage of dying where they are talking out loud to relatives that have gone before them. I experienced this with both my father and my mother. It appeared as if my father was working overtime to wrap up some unfinished business before he died. On several occasions he would say, "I am not done yet." Such occasions may well be a clue that a person has one foot in this life and one foot in whatever is to come.

Likewise, I have had several occasions to talk to people who have had near-death experiences. Their stories are indeed quite compelling. What has amazed me the most is the reassurance such folk have in facing death when it comes. Perhaps the greatest clue for me about life after death is the joy of holding a new born baby in my arms. I know of no experience that equals this in magnitude. Holding one who has spent nine months being molded into a breathing, living, crying, and gurgling human beings speaks to me of a creative force that is beyond my imagination.

I remember how wowed I was in kindergarten when the seed that I planted in a Styrofoam cup of dirt turned into a bean sprout. Bean sprouts are pretty impressive - but come on - a baby?

My reasoning goes like this, "Whatever force is behind the creation of a baby surely has the capacity to create new life when death comes. To create new life." The force for me is the God I have come to know as the Life Giver in so many facets of my life.

I must add that May is my month to believe in the power of life. It is the month that restores my soul after a long, dark, cold and very wet winter. Winter is when everything dies for me and I have to fight extra hard against the darkness. May is life in full bloom. The yard is still green, the rhododendrons are in all of their glory and the trees are thick in leaves, needles and green.

Death and life are baked into all of the creation giving me great cause to believe that, when death comes, be prepared for the likelihood that life will follow.

I loved Andy in life and there is nothing more that I want for my friend Cheryl than to see him again. Will it happen? I don't know. This is what faith is all about for me - trusting the clues that God provides along the way.

I do know this about the death of my own parents - If I never see them again I will not mourn because they gave to me in this life time enough blessing to last the all of my life.

### Hospitality Coffee Hour Fellowship and Worship Assistants

We like to encourage a combined fellowship/coffee hour between services in the Fellowship Hall from 9:30-10:30. We need volunteers to sign up for hosting the coffee hour. There is always a sign up sheet at the coffee hour. Sue Oster is our coordinator for the coffee hour fellowship. If you would like to help with our coffee hour fellowship, please contact Sue at 425 888-4056 or [sofficka@gmail.com](mailto:sofficka@gmail.com). Also, if you are interested in being a worship assistant, please call the office at 888-1322. Mt. Si needs you!
