### Pastor's Note.....

In the month of June our Sermon texts will be taken from the Acts of the Apostles. We will begin with the story of Pentecost in the 2nd chapter and then take a look at St Paul's three missionary journeys. We will jump around Acts quite a bit each week in an effort to glean the focus and breadth of each missionary journey. In case you have not spent a great deal of time studying St. Paul, I wanted to spend some time offering a brief introduction to this well loved Apostle.

**First**, we meet Paul early in acts as "Saul." We are told that Saul was born in Tarsus, one of the biggest and most influential cities in Asia Minor and that he was a Pharisee and of the tribe of Benjamin. Pharisees were a group of thinkers and teachers who espoused particular beliefs regarding how one should practice Jewish faith. They were less concerned about the temple and did believe in the possibility of resurrection. After the fall of the temple in 70CE it was the Pharisaic movement that survived and helped inform modern rabbinical Judaism. **Second**, we also know that Saul believed the followers of Jesus posed a major threat to Judaism and worked on behalf of authorities in Jerusalem to arrest followers of Jesus and escort them to jail. He was also complicit in the death of Stephen who is stoned to death for this profession of faith in Jesus. **Third**, we know that it was on his way to arrest followers of Jesus that he has a vision of Jesus, is knocked to the ground, blinded, and hears Jesus speak directly to him regarding his role in the persecution. After meeting another disciple, who cures him of his blindness, Saul begins preaching about Jesus in the synagogues. **Fourth**, we don't know when Saul takes the name Paul. In Chapter 13 of Acts we simply get a line that reads, "Saul, who was also called Paul," and from then on is referred to as Paul. **Fifth**, Saul/Paul is specifically called to preach the good news of Jesus Christ to the gentiles. However, he almost always begins his preaching in the local synagogue and then reaches out to the gentiles in the area. Gentiles are anyone who is not of Jewish ethnicity. Saul/Paul will often get into trouble with the disciples in the Jerusalem church because of his strong belief that one did not have to follow the entirety of the mosaic law (including circumcision) in order to be a follower of Jesus. He thought a good follower of Jesus was one who followed the laws that allowed those around that follower to recognize an example of holy living. In some cases that might meant abstaining from eating pork and in others might mean taking part in a meal with pork. He writes that he "became all things to all people," and could do so because, "it is not I that live, but Christ that lives in me." **Sixth**, Paul was tireless in his witness to Jesus. It landed him in prison on multiple occasions and led to his near stoning several times. He believed that Jesus would come back soon and he wanted to make sure as many people as possible had the opportunity to hear about Jesus before he returned. **Seventh**, Paul was human and made mistakes just like we do. He ran headfirst into his call to discipleship and the descents of the followers of Jesus owe a great thanks to our Lord for sending him to tell the world of Jesus. Just as I give thanks to Jesus for your lives of discipleship! Peace be with you all

## Backpack Spring Fling Women's Ministry Event!

There was a great turn out of women and children learning about the amazing backpack program through the Snoqualmie Valley Food Bank. Thanks to Nancy Jones for being our special guest!

# CHILDREN, YOUTH, FAMILY

The Children, Youth, and Family ministry is growing and evolving. As a congregation we are exploring ways we can develop education to meet the needs within a changing society. If we think of these ministries as being is like a Mobius strip, there is multidimensional impact. Parker Palmer describes our spirit as being like a this as well because we are influenced internally by our thoughts and simultaneously by the world. Within congregational life we must simultaneously develop our purpose inside our walls and outside our walls in the community. Engaging in the work of the food bank or other community services are but a tip of the iceberg, we must dig deeper to be the beacon of light that God calls us to be.

We are in an exploratory phase of developing a weekly children's after school program. We have much to explore and do before we declare it as a ministry. We would like to first ask for individuals who would be interested in volunteering to be on an oversight task force to develop this program. Currently the plan for the program is for it to be a Friday after school program from 1:30-6:30pm open to members and community members.

One of the main goals will be to provide opportunities for children to develop emotional resiliency and conflict resolution skills. Please let John Grebe or Erica Haycox know if you are interested in helping with the inception of a program of this nature.

Upcoming events:

If you have children or youth who wish to attend without a parent please see John for a consent form from the church as well as from Waterhouse Center.

There has been a request to do a bike ride on the Iron Horse Trail. No date has been set but we will load bikes up in a trailer and carpool up to the pass and off load for the ride down sometime in mid to late June, details to be determined.

Sunday school Update!

It's hard to believe it is June and our summer break is upon us! It's been a great year! We have had so much fun and learned so much about God and our families! We have a couple fun busy weeks planned to finish off our year! Don't miss them!

These last couple weeks find us hearing more stories about people of God. We will hear learn about Timothy and Daniel-both strong in their faith and amazing -examples of how we too can follow God and teach others along the way. We also will explore Proverbs and see how the Bible can offer wisdom to us in our lives and guide us. Our Scripture verse is Deuteronomy 6:5 "Love the Lord your God with all your heart, all your being and all your strength."

## Northwest Washington Synod Evangelical Lutheran Church in America

God's work. Our hands.

### Life In Between

By Bishop Kirby Unti

On the way to Jerusalem Jesus was going through the region between Samaria and Galilee. As he entered a village, ten lepers approached him. Keeping their distance,

they called out, saying, "Jesus, Master, have mercy on us!" --Luke 10:11-13 Our Synod Staff has been dwelling on Luke's story of the 10 lepers for the last several months. It has come to our attention that the story takes place where many, many Biblical Stories take place, "in between places." In this case Jesus encounters the lepers in between Samaria and Galilee. There is a practical reason for this. The lepers would not have been welcomed in Samaria or Galilee. They were living in the only place they were allowed, on the margins. Given that Jesus was constantly on the move plays right into the likelihood that we will encounter him in between place. But there is more to this than geography. The story of faith, hope and love is forged "in between." For Abraham and Sarah it was formed in between the invitation to leave behind family and home and the promise of becoming a great nation. For the Israelites it was in the wilderness between Egypt and Promised Land. For the people of exile it was between living in a strange land and the hope of returning home. For the disciples it was in between the sea of Galilee and the cross. And then there is the most holy of time between Good Friday and Easter Morning. I have never been good at living "in between." The uncertain-

ty creates anxiety for me. I want to know the outcome. I just want to get there. Forty years in the wilderness would have done me in. It is not easy for me to live in the present. I am often seduced into wanting to go back to the way it was or jumping ahead to what is waiting for me. Little did I know how prophetic the words of those were who said to Kim and me, "Enjoy your children because they grow up way too quickly." It is in the space and time of "in between" that we come to know, to love and to trust.

It is precisely the place we are called to live. Northwest Washington is entering "in between" time. In between two bishops. Please welcome Rev. Shelley Bryan Wee. Bishop-elect Shelley and I both are leaning into this in between space knowing that it is sacred encountering space. I encourage you not to look back or to race ahead. Rather welcome this new time and our new Bishop and take up residency in it. It is where we encounter Jesus. Once Jesus was asked by the Pharisees when the kingdom of God was coming, and he answered, "The kingdom of God is not coming with things that can be observed; nor will they say, 'Look, here it is!' or 'There it is!' For, in fact, the kingdom of God is among you." --Luke

10:20-21

## NWWA Synod Assembly 2019 Highlights

A big thank you to Lisa Sampson, Janey Benson, Tyler Koukol and John Grebe for attending the NWWA Synod Assembly as voting members. They were present and active in the process of calling our new Bishop, Rev. Shelley Bryan-Wee and the adoption of six new resolutions that will impact our Synod and at least one memorial that will be sent to the Churchwide gathering this summer for adoption by the whole ELCA. For the full texts, please go to this website, or I can print copies for you.—Pastor Krista

<https://www.lutheransnw.org/2019-Synod-Assembly>

Here are five of the six (one was to give thanks for work done by synod member) resolutions

1. Synod will formally endorse the Poor People's Campaign and encourage members to be involved where able
2. Synod will formally become a member of the Emmaus Project, whose goal is to dismantle white supremacy and racism in our churches.
3. Synod Council will begin to re-write and add language around workplace discrimination into synod policies
4. Synod and Churchwide to honor the 50th anniversary of the ordination of white women and the 40th anniversary of the ordination of women of color
5. Memorial (means this goes to churchwide for approval) to encourage the ELCA to speak out against the detention of Palestinian children. \*previous memorials have denounced violence on both sides\* This memorial is in response to a unique situation developing in the Holy Land regarding Palestinian children observed by the last team of ELCA representatives to both Israel and Palestine.
